One Nun Killed Four Critically Hurt By Crash

Car Crashes Into Rocks As Brakes Fail On Grade

The four Nevada Holy Family Sisters, critically injured in an automobile accident on Donner Grade late Friday evening, in which a fifth nun, Sister Dominic, 31, formerly of Michigan, died were transferred to St. Mary's Hospital, Reno, from the Tahoe Forest Hospital this week. Their condition was described as critical. The Truckee and Sparks ambulances were used in the transfer.

Sister Dominic, a passenger in the right front seat of the car driven by Sister Hillary, 41, of Carson City, was fatally injured when the car got out of control while coming down the grade and plunged off the lower end of Horseshoe curve. Sister Paul, 29, riding in the center front, and Sisters Annunciata, 45, and Catherine, 53, riding in the rear seat, as well as the driver, were critically hurt.

State Patrolman Martin Sturcke, who was near the scene of the accident at the time, said he saw the car traveling at a high rate of speed and it was presumed that the brakes called. He quickly called two Truckee ambulances and all the injured were taken to the hospital here where additional doctors were summoned from Reno to assist the local staff in caring for the victims.

Rt. Rev. Robert J. Dwyer, Bishop of Reno; his secretary, Rev. John O'Connor, and Monsignor Collins came immediately to Truckee and nurses were assigned from St. Mary's to lend assistance to the doctors.

The four injured sisters were returning to Reno after a two weeks vacation and a week's retreat at San Francisco. Sister Dominic was accompanying the four to Reno to assume her assignment in that area. Her body was taken to the Truckee Colonial Mortuary.

The car crashed into the rocks with such force that the frame was bent to a 90 degree angle. None of the occupants was thrown from the car, which plunged 20 feet off the grade and landed head-on against a large rock.

T.V. RECEPTION IN TRUCKEE IS REPORTED GOOD

Television reception in the Truckee area is no longer a dream awaiting future installations.

Last week Leamons Furniture obtained the dealership for the new Stewart-Warner TV Thunderbolt, and the reception at the store in Gateway Park Shopping Center is proving excellent. Pictures and sound are recorded with surprising clarity and it is claimed by those who have witnessed demonstrations that the reception often surpasses that in areas much nearer the points of origin.

The agency offers both console and table models in a price range from $239. All screens are big 21-inch and the sets are advertised to deliver the sharpest, steadiest and clearest picture in TV even in the "fringe" areas.

Prospective purchasers may call Leamons and arrange for a demonstration.

TAHOE WORKMAN EXPIRES AT LAKE

TAHOE CITY— Sisto C. Casodas, 47, who arrived here Sunday to work on the installation of a sewer line for the Tahoe City Public Utility District, died at an early hour Wednesday, believed to be a victim of a heart attack.

Casodas leaves a brother in Oakland and two other brothers whose addresses are not known. Francis West, Placer County coroner, was called and took charge of the body.

KATHERINE STREET HONORED AT PARTY

Katherine Street, daughter of Mr. and Mrs. John Street, celebrated her third birthdate August 19 at a picnic party on a Donner Lake beach. Sharing the occasion with her were Debbie and Chris Ellis, Karen and Ronnie Walker, Jerry and Monte Neugebauer, Kathy and Leilani Braasch, Marcia and Bruce Leamon, Billy and Diane Cardinal, Karen Hedlund, Judy Wakefield, Sandra Ferdinand, Anne Morey, Carolyn Vaughan, Philip Risden, Kathy's cousins, Greg and Jeoff Fisher of Woodland, and her grandmother, Mrs. Lowell Street of Woodland.

SPITSEN VISITORS

TAHOE CITY— Visitors at the Martin Spitsen home in Tahoe City for a week are Spitsen's sister, Mrs. Wesley Watson, and her two children, Eileen and Dennis, of Delhi. (es)

Post Offices In This Region On Approved List

Both Truckee and Tahoe City are in line for sizeable appropriations recommended for new federal buildings in the long-range multi-million dollar construction program recently submitted to congress by the General Services Administration.

Edward H. Dickson, Washington staff writer for the Sacramento Bee, points out that the recommendations were made under the terms of a public works program approved by congress in 1949 and by no means indicates the federal government is likely to proceed with any appreciable amount of the work in the immediate future.

The plan has been developed to provide a backlog of public work which would be utilized to bolster the national economy should there be a substantial drop in employment in private industry. First priority, it was agreed, would go to those areas where the government is now paying high rental and where the need is most vital.

The two local projects would be for post office buildings, if and when the program is put into action.

The Tahoe City post office, under the plan, would receive $211,000 while $215,000 has been designated for the Truckee project. Nevada City would receive $260,000 for a new post office. It is very doubtful if funds for any of the buildings will be included in the budget which President Eisenhower will submit in January.

DR. NEEDHAM IN TALK TELLS OF SAGEHEN WORK

Dr. C. R. Needham of the University of California and in charge of the wildlife biological studies being conducted on Sagehen Creek near here spoke to the local Rotary Club Monday night.

Their program is twofold, Dr. Needham explained. The students receive practical training under field conditions and their research is left for the university to offer to any interested group. He further stated that the Truckee River is considered one of the best trout streams in California. In his opinion, any future development for hydro-electric power on the Truckee should provide for the continuation of sufficient water in the present stream to preserve this excellent trout stream.

Visiting Rotarians were H. H. Stem and Maxwell Bloom of San Jose, Walt Brown of Oakland.

Guests included Al Schnee of San Jose and E. E. Boehm of Truckee.

DRUNK SENTENCED TO 15-DAY TERM

William Walters, 53, was sentenced by Judge F. W. Wilson to spend 15 days in jail following a hearing in the local court. Walters was arrested by Deputy Sheriff Roy Waters and charged with violating the county sobriety ordinance and panhandling.

INTEREST SHOWN IN HOSPITAL MEETING

Evidencing a renewed interest in the Tahoe Forest Hospital and its administration, a large group of citizens from the district Friday evening attended the regular meeting of the governing board at the hospital.

The report by the auditor, now completing the first annual audit of the district, was heard and the board remained in session until 11 p.m. to discuss various questions, policies of the hospital and future plans.

C. R. Heller presided at the session which at times developed controversial and immaterial questions but which, for the most part, exemplified a natural interest in the hospital and its progress.

DRIVER HURT

A. Aldo Razzolini, San Francisco, was cited for speeding by Patrolman Roy Stallard after his car ran off Donner grade Thursday and hit an embankment. The driver was taken to the Tahoe Forest Hospital with minor injuries.

Porter Boy Dies From Electric Shock At Lake

Swimmer Electrocuted In Tahoe After Contact With Wire

TAHOE CITY— A tragic accident Friday afternoon caused the electrocution death of 13-year-old Cedric H. Porter, son of Mr. and Mrs. Cedric S. Porter of Sacramento and grandson of Bishop and Mrs. Noel Porter of the Sacramento Episcopal diocese.

The youth, with a companion, Donald Benjamin, was swimming under a pier at the Dr. George Moynahan summer home, near the Porter place. He apparently grasped an electric conduit and was rendered immediately helpless.

Benjamin said he called for help and two vacationers, Wayne Weisbert of North Hollywood and D. E. Wren of Bakersfield, responded and tried to approach the boy. But they too felt the shock and it was not until the electric switch was pulled that the three were able to lift Cedric onto the pier.

After the switch was pulled, the boy was pulled from the water and Dr. C. B. Pedersen was called. All efforts to revive the youth failed and Coroner Francis West of Colfax arrived to make the investigation.

As a result of the tragedy, Bishop Porter said he would ask for an investigation to determine the responsibility for inspection of piers in the region.

Members of his family who mourn Cedric's untimely passing include his parents and brothers and sisters, David, 11; Marcia, 8; Bess, 5, and Howard, 3, as well as his grandparents, several uncles, aunts and cousins.

Private services were held at East Lawn in Sacramento Monday morning, followed by cremation. The sincere sympathy of the entire region is extended members of the family.

NINTH BIRTHDAY FOR LOCAL GIRL

Donna McReynolds was feted at the home of her parents, Mr. and Mrs. E. C. McReynolds, on Monday, August 17, in a celebration of her ninth birthdate.

Swimming, games and a weiner roast were enjoyed by the young guests. They included Jim Osburn, Terry Walker, Ricky Rockholm, David Ayala, Frances McGwinn, Dorette Rose, Shirley Patton, April Lander, Stephi Cozzi, Karen Smart, Vicki Firpo, Shirley Guymer, Drew Weyman, Terry Ellis.

WOMAN HURT IN CRASH ON GRADE

Mrs. Ada Belle Sleeper of Vallejo is recovering in Colorado from an automobile accident which occurred on Donner Bridge August 6 when the car driven by Captain Robert F. Legge, Hawthorne, Nev., and a truck operated by Harold Silver, San Francisco, collided.

Mrs. Sleeper was a passenger in the vehicle driven by the navy captain and the latter was cited by Patrolman Roy Stallard for driving without due caution, not having his car under control and for being on the wrong side of the highway.

The Legge car was traveling east and struck the guard rail on the bridge as well as the truck, officers said.

Mrs. Sleeper praised the efforts of the patrol and the Tahoe Forest Hospital, where she was treated.

SCOUTS ENJOY HAYPRESS TRIP

Scoutmaster Clarence Osburn accompanied 11 members of Truckee Troop No. 7, Boy Scouts, on an overnight trip to Haypress Meadow. During the outing the boys enjoyed fishing, swimming and boating at Webber Lake, hiking and campfire fellowship.

In San Francisco—

Mr. and Mrs. E. C. McReynolds are San Francisco visitors where the former had a checkup at the Southern Pacific hospital.

Sun Beams

by WALTER BARRETT

An excellent, although certainly unfortunate, example Friday evening should have offered conclusive evidence of the value of the new, modern hospital in this area. Just as half a hundred people were gathering for a meeting of the governing board of the hospital, four critically injured nuns, victims of a fatal automobile accident, were rushed into the hospital for treatment. Their injuries were of such a nature that the long trip to Reno might have proven fatal and would have, at least, added considerably to their suffering. This, of course, was only one of a hundred similar examples of the value of the hospital in the community. Seldom does a week pass without just such an occurance, but we think it was opportune that so many local people had the occasion to be on hand Friday evening.

GUN CLUB WILL SPONSOR SHOOT SEPTEMBER 11-13

KINGS BEACH— The Lake Tahoe Gun Club is making elaborate preparations for the fall shoot to be held at the club grounds here September 11, 12 and 13. Some of the best shooters in the country are expected to participate for the trophies and prizes in the three-day event.

Complete details will be announced in the Sierra Sun next week.

BROCKWAY WILL HAVE DIAL FOR 'PHONE SYSTEM

Pacific Telephone has acquired a lot on the north side of Highway 28, between Fox and Chipmunk Streets in Brockway Vista, for future telephone company expansion, it was reported today by H. J. Newsham, telephone company manager here.

The property has a frontage of 148 feet on the northwest side and 153 feet on the southeast side.

The lot will eventually be the site of costruction of a new dial central office building in Brockway.

FAMILY LIFE IS TOPIC OF TALK AT LIONS MEET

Family life is big business, the very backbone of a democratic country, and must be preserved and constantly improved if we are to continue to progress and maintain our lead in the world of nations.

This was the gist of a talk made before the Lions Club last night by Rudy Abrecht, executive secretary of the Mountain District YMCA, who talked on home training for the youth.

Other guests were F. W. Fox, Truckee; W. E. Miller, San Francisco; R. B. Brenneman, Odesa, Texas; Vic Monte, Grass Valley; C. Fara, El Cerrito; and four members of the Reno Arch Lions Club. Lt. L. D. Nelson, a member of the Truckee Lions Club on leave while in the navy, also attended. Charles Heller presided and E. K. Stice was program chairman.

CUB PACK MEET NEXT TUESDAY

A Cub Scout Pack meeting will be held at the Truckee ball park Tuesday, August 25, under the direction of Cubmaster Alex Ayala. Baseball will highlight the meeting, begining at 7 p.m., and all boys and others interested are invited to attend.

On Tuesday this week, Mrs. J. E. Walker and Mrs. Robert Leamon accompanied members of Cub Den No. 2 to Donner Monument where the boys studied the historic site. Refreshments were served later at the Walker home here.

Has Birthdate—

The birthdate of Harold Langille was observed at a family party on August 14.

Woman Drowns In River While Fishing In Pool

Fainting Spell is Blamed For Tragedy On Summit

The body of Hester Sara Lininger, 50, victim of a drowning accident at Kingvale Monday, has been shipped to San Bernardino by the Truckee Colonial Mortuary and services will be held in that southern California city.

Mrs. Lininger, whose husband, Paul, has been employed in the logging business on Donner Summit, had lived at Kingvale for nine days, coming there from Grass Valley. She was an ardent angler and each day spent some time at a pool on the Yuba River which runs within a few feet of their home.

Lininger told Deputy Coroner N. F. Dolley that for years his wife had suffered from fainting spells and it is believed that she fell into the pool during one of these attacks.

The body was recovered at 7 p.m. Monday by Archie West who notified Dolley.

FOOTBALL WILL SOON GET UNDER WAY AT SCHOOL

Coach James Brehler has called a pre-school football practice meet for Monday, August 24, at the Tahoe-Truckee High School. All potential players are asked to be on hand for the practice which starts at 1 p.m. A bus will leave Kings Beach at noon to pick up boys in the Tahoe area.

Brehler said the football schedule opens with Douglas at Gardnerville on September 18 and he hopes to have the team well lined up by that date. Physical examinations will be given and other preliminary details handled before the opening of school on September 8.

The local school this year is affiliated with the CIF as well as being a member of the Western Nevada Conference and will participate in all competitive sports. The coach said he will have some of his old team back this year and that prospects are favorable.

Conrad Briner will assist Brehler as football coach and will be head coach in basketball under present plans.

GIRL SCOUTS TO ENJOY OUTING

Saturday, August 22, the Girl Scout troop will meet at Donner Theater at 6:30 a.m. to hike to the south side of Donner Lake where they will have practical instruction in camp making, outdoor cooking, safety measures, swimming and hiking.

The following girls will take part in the program to work for badges:

Rosalie Kaspian, Jesse Rablin, Shirley Bennett, Dorothy Reuck, Rosalie Christensen, Janice Gray, Linda Loynd, working for their first class rank; Dorothea Frey, Janet Allen, Janice Notley, Sheri Curran, Nona Rae Coffey, Carol Ann Quilici, Susan Scow and Nancy Kaspian, second class; Steffie Firpo, Cynthia Reynolds and Varien Frey, tenderfoot. Mrs. Fred Pedley and Mrs. Oliver Scow will accompany the girls.

TODD APPOINTED

Leo J. Todd, Grass Valley attorney, was appointed by District Attorney Vernon Stoll Friday to be deputy district attorney. This gives Stoll two deputies, William Cassettari having held the office for the past ten years.

BANKER DIES

Horace A. Curnow, 63, manager of the Nevada City branch of Bank of America and leader in Nevada County civic projects, died this week at the county seat following an attack of pneumonia.

Mr. and Mrs. Reg Smart observed their anniversary on Monday, August 17. They had as their guests over the weekend Mr. and Mrs. John May and daughter Nora of San Francisco.

Fires In Local District Quickly Stopped By Crew

Fires No. 9, 10 and 11 for the 1953 season have been reported by the U. S. Forest Service in the Truckee district of the Tahoe National Forest.

No. 9 was an incipient blaze last Thursday three miles northwest of Verdi Lookout in Hope Valley where lightning was blamed. The suppression crew had the fire controlled.

No. 10 was a fire near Homewood at Lake Tahoe where a careless picnicker started a fire which was caught before any material damage had been done. The Tahoe crew was aided by nearby volunteers on this fire.

No. 11 was of incendiary origin and may have been the result of children playing with matches. It was discovered yesterday back of Lake and three separate blazes Donner Pines Motel along Donner were discovered with evidence of paper, matches and other material within a 100-foot radius, which evidently had been used for the purpose of starting fires.

An investigation is being made by the forest service.

Three of the 11 fires this year were caused by lightning, the balance being man-caused, the forest service reports. Seventeen fires had been reported in this district on this date last year, most of them caused by lightning.

THREE INJURED AS TOW LINE ON VEHICLE BREAKS

Three people were seriously injured Sunday afternoon in a freak accident near Kiski Lodge on Donner when a towed vehicle broke loose and careened into the path of a vehicle going in the opposite direction.

Taken to the Tahoe Forest Hospital for treatment were Mr. and Mrs. Howard F. Van Dyke of Pleasant Grove and Elmer Shirts of Cowell, Calif. The latter, a hitchhiker, was asleep in the car being towed by Charles Graham, Fortuna. Mr. and Mrs. Van Dyke were traveling east and the towed car, which was traveling west, crashed into the front of their car.

State Patrolman William Gautsche said he was citing Graham for having faulty equipment and for not having a driver's license.

RECORDED TALK ROTARY PROGRAM

TAHOE CITY— "What Kind of a Government do You Want?" was the title of an unusually interesting tape recording by Carl Taylor, internationally known speaker, presented by Denis Sach at a meeting of the Tahoe City Rotary Club at Tahoe Inn Tuesday.

The speaker told of the danger of state or government controls of business and urged his listeners to avoid a fatal step toward communism. Many of the visiting Rotarians are requesting the same talk to be given at their home clubs.

Howard Guth presided at the session.

DISCUSSION TO FEATURE SESSION

R. N. Little, Charles Heller, E. V. O'Rourke, William Curran, Cliff Ellis, Reg Smart and Sgt. Frank Smith have been invited to attend the round table discussion to be held at the Wyethia Club meeting Friday, August 21. The discussion on safety in traffic will follow the business session, at which Mrs. Fred Pedley will preside.

INJURIES RESULT FROM AUTO CRASH

Mrs. Lucille Lampen suffered minor injuries when a car driven by Arthur F. Lampen, of Citrus Heights, collided with a truck driven by Louis Prole of June Lake Friday morning on Donner grade. Lampen was cited by Patrolman William Gautsche for being on the wrong side of the highway.

Has Operation—

Mrs. Dorothy Van Allyn of Carnelian Bay underwent a major operation at the Tahoe Forest Hospital this week.

Travel Sets New All Time Record Over Highway 40

Nearly 70,000 Vehicles Are Checked at Local Station

Sixty-nine thousand and eighty-three vehicles were checked coming into northern California by way of Truckee during the month of July, setting a new all-time travel record for a one month period, the state department of agriculture reports.

The only other station in California to report a greater number was Yermo, which checked 74,810 vehicles.

At Meyers on Highway Fifty, 19,956 vehicles were cleared through the quarantine station.

The Truckee total included 65,088 cars, 3,171 trucks and 824 buses with a passenger count of 211,251, the report shows.

Over the state as a whole, 427,443 cars, 24,164 trucks and 4,827 buses were checked at the 17 stations reporting. The passenger count for the month totaled 1,344,488.

The Truckee count of cars for July exceeded June by nearly 12,000 and was nearly 5,000 ahead of July, 1952.

SAGE TRIAL ON MANSLAUGHTER CHARGE IS SET

Superior Judge James Snell has set September 21 at 10 a.m. as the time for the trial of George Howard Sage, 26, Oakland marine engineer and recently a resident of Truckee, charged with manslaughter as the result of the death of Richard Alfred Haddy in an automobile collision near Truckee June 17.

Sage appeared before Judge Snell this week and entered a plea of not quilty. He was not accompanied by an attorney and was advised to secure one by the court after the latter was advised that Sage was the owner of a $4500 automobile being repaired by insurance money after the crash.

The court said Sage had not been formally arraigned and would allow time for the defendant to employ an attorney. Sage's request to waive a jury trial in the local court was denied by Judge Snell.

WALTERS RETURN TO LOCAL HOTEL FOLLOWING SALE

Mr. and Mrs. Arthur Walters, who have been in Sacramento for the past several months, are back as managers of the Sierra Tavern Hotel which they acquired through a court sale from Mr. and Mrs. Michael Richards, who had started purchasing the establishment from the Walters.

Walters said they are renovating the hotel and will continue to operate it under the policies they established prior to their departure. They did not purchase the liquor license and the cocktail lounge is closed for the time being at least.

CAFE WILL AID CHURCH IN SALES

Mr. and Mrs. M. E. Brown of Browns' Cafe here have offered to share with the Community Methodist Church a substantial portion of their receipts from meals on August 28 for the church building fund. The church's share will be allotted on the basis of meal tickets sold through the church. For details, those interested are invited to telephone Truckee 206.

On August 28, an evening meeting will be held to summarize the current Vacation Bible School which will end that day, as well other activities of the church. A beautiful new edition of the Bible will be shown as part of the evening program.

Another sound Gospel film will be shown at the church Saturday evening, August 22, at 7:30. Sunday's sermon message will be on "Birds of the Bible" at 9:30 with Church School at 10:45.

HACKETTS ARE PARENTS OF GIRL ON SUNDAY

Mr. and Mrs. Robert Hackett of the Cottage Hotel became the parents of a daughter, born at Tahoe Forest Hospital Sunday morning, August 20. The little girl, who has been named Anne, weighed seven pounds and one ounce upon arrival.

From Bay District—

Mrs. Richard George and daughters have returned to visit her father, R. N. Little, while her husband is at sea on naval duty.

In Sacramento—

Mr. and Mrs. Anton Mahne made a business trip to Sacramento this week.

DOLLAR AGAIN SETS THE PACE AT LAKE RACES

TAHOE CITY— The Lake Tahoe Yacht Club's 25th annual regatta attracted the usual large crowd of speedboat fans to Chambers Lodge pier last Saturday and Sunday.

On the latter day the crowd of several thousand occupied all the standing room a half mile each way from the lodge along the beach. They filled the pier and, where possible to see from the highway, people watched from their cars.

However, this was not the first time many spectators had seen Stanley Dollar Jr. lead a field of fast boats for first place. He is now a nationally known speedboat king who began his motor boat racing some 20 years ago and since has won the Lake Tahoe Championship pertpetual trophy many times.

In the 350 h.p. and under, for boats 25 feet and longer, stock displacement and hulls, Dollar drove his "Baby Skip Along", winner of past championships, to another victory, as he held a lead over Henry J. Kaiser's "Lemme Go First." Gordon Greenlee, driving E. L. Oliver's "Hey There II" was third in this race.

In the Lake Tahoe Championship event Dollar switched over to his "Short Snort," in which he won the Gold Cup race last year at Seattle. This hydroplane held a substantial lead over five other entrants, winning another first place. Kaiser's "Fleu du Lac," driven by Max Collins, was second and William Stead in "Hurricane" was third.

The other events of the regatta and their first three winners, in order, follow:

115 h.p. and under, stock displacement hulls and engines: J. W. Miller's "Mary Jo" driven by Randy Walker, 1st; Jay Murphy in "Muvalong" 2nd; Clark Hall in "Rainyear" 3rd.

10 h.p. outboards, drivers not over 16 years: George Campbell, John Wayne, Don Herzog.

5½ h.p outboards, drivers not over 12: Chuck Ortman, Lewis Marsten, Charles Patterson.

130 h.p., two laps: E. L. Oliver's ""Hey There II," driven by Gordon Greenlee; Pete Bradley in "Gena", E. V. Lane in "Roughstuff."

160 h.p. Chris Craft only: Paul Seaglon in "Pamavi II," Cahrles Seaglon in "Pamavi II"; Charles Mapes in "Gloria M"; Frank Klaus in "Undecided".

Women's 200 h.p.: Mrs. H. J. Kaiser in "Stardust"; Gloria Mapes in "Gloria M"; Ruth Rustad in "Kaikoo."

Women's 130 h.p.: Joyce Moore in "Lets Go II"; Mary Bradley in "Gena"; Susan Stahl in "Muvalong."

Bang and go back free for all: Allan Pollock in "Hadacall"; Jay Murphy in "Tess"; Roger Murphy in "Muvalong."

The Perpetual Trophy was a two way win by Gordon Greenlee, driving Oliver's "Hey There II," and J. W. Miller's "Mary Jo". It was the Commodore's Cup for points, Greenlee will keep the cup six months and Miller for the balance of the year. Trophies went to all first three placers.

Miss Mary Jo Miller of Sacramento reigned over the water ski carnival Saturday and the regatta on Sunday. Although she did not place in the women's race, her boat, "Mary Jo," brought her father the Commodore's Cup for half the coming year. (ejv)

TAHOE YACHTERS RE-ELECT LEWIS AS COMMODORE

TAHOE CITY— The water ski carnival portion of the Tahoe Yacht Club's regatta at Chambers last weekend took four hours to run off, due to the large number of entrants.

Winners were Jean Doolittle for slalom for girls 20 and under; Lewis Fellows of Carnelian Bay, slalom for boys 20 and under; Charlie Besottes of Stockton, slalom for men; Vera Gilmon of Pasadena, women's slalom; Donnie Negus, children's slalom (under 12).

The special trick award was won by a group called the Five Sergeants, composed of Dick and Jack Bourne, Bob Smith, John Fabian and Roger Murphy. This quintet performed group acrobatics on the water skis.

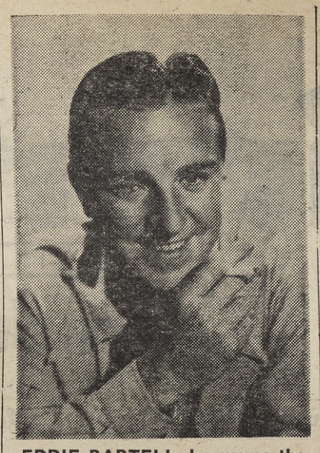

At Saturday's annual club luncheon at Chambers, Commodore George Lewis of Beverly Hills and Vice Commodore R. Randolph Walker of San Farncisco and Tahoe Pines were reelected for another term. J. Philip Murphy of Piedmont and Tahoe City was elected port captain. All other officers were re-elected.

On Sunday evening, following the boat races, the Allan Pollocks hosted a cocktail party for members of the Tahoe Yacht Club at their home on Sunnyside Lane.

J. Philip Murphy was regatta chairman while Randy Walker and Fred Main shared announcing duties. (es)

Briggs Return—

Mr. and Mrs. Robert Briggs have returned to their home at Tahoe City from Colorado where they attended summer school. Both are on the teaching staff of the Tahoe-Truckee unified school district.

EDDIE BARTELL, known as the Original Radio Rogue, has top billing for the sparkling stage review to be featured nightly at the Greater Nevada County Fair Aug. 27 through 30 at the Grass Valley fair grounds. Other headliners include Mason-Kahn Dancers, Don Raymond, musical moments; Phil Arden, comic; Warner and Leigh, musical comedy; The Mandarins, acrobats; The Blue Streaks, roller skaters; the Alexander Brothers, intsrumental team.

EUER VALLEY ITEMS

Guests at the 7C Ranch in Euer Valley were Mr. and Mrs. Bill McDonald of Inglewood and they enjoyed a week's fishing in Prosser Creek and Frog Lake.

Anne and Bill Hibbitt of Sacramento were over from Lake Tahoe for the day, fishing Frog Lake. Anne was very thrilled over catching her first fish in Frog Lake.

Bob and Estelle Johnson of Oakland spent several days in the Valley and fished Prosser.

Jack and Karen Sexson and son Johnny of Lafayette had wonderful luck at Frog Lake. Jack's catch averaged a pound and a half each. Jacqueline Milton and son Max of Orinda spent a few days at 7C Ranch visiting with the Sexsons.

Jim and Bunny Werbke, Lafe and Ethel Sherman, and son Eddie were up from Sacramento. They all had luck in Prosser, especially Lafe, who had his usual success of a limit a day.

Ken and Loy Cunningham of Hayward were in Euer Valley for the weekend.

Minute Ministry

by Rev. Sidney C. Winston
(Pastor, Community Methodist Church at Truckee)

* * *

"The Lord loveth a cheerful giver." I believe one of the most conspicuous characteristics of a Christian is his appreciation. We hear references every now and then to the grasshopper philosophy of life, "The world owes me a living," but we do not consider it appropriate to our society." Again we hear, "The Lord helps those who help themselves." If this last is Scriptural, I find it only in the words of Jesus when he said, "Seek ye first the kingdom of God and his righteousness, and all these things (food, drink, clothes) shall be added unto you." The privilege of working for a living is God's answer to our physical needs. If we are seeking his kingdom and his righteousness we will not doubt the importance of sharing with God, cheerfully, what he has given us. Spiritual values are more essential than material values.

TAHOE TOPICS

by ETHEL J. VERNON

We hope that all readers of the Sierra Sun read and consider the following item, as in this way we may be able to help the Red Cross to locate a missing person:

"Will anyone knowing of the whereabouts of Raymond John Chisholm, whose last known address was Tahoe Pines, Lake Tahoe, please contact Marie F. Henry at the Tahoe City Garage in Tahoe City, or telephone Tahoe City 70, and report to American Red Cross Home Service?"

Mr. and Mrs. George Collins and son, Tim, of San Anselmo have been guests during the past week in the home of her parents, Mr. and Mrs. R. H. Watson, at the Watson summer camp near Lake Forest. Collins left Sunday for his office in San Francisco. His wife and son are staying on at the camp until September 1. During the family's first weekend here, Tim, his father and grandfather went on an overnight camp trip into the back country, camping in the vicinity of Bear Pen. They loaded the Watson horse, Patches, with camp paraphrenalia and fishing tackle and packed out into the western mountains from a point near the mouth of Ward Creek. Watson said his grandson, who is a Boy Scout, took the 17 mile hike without a sign of fatigue and was eager to travel farther when his elders were ready to call it a trip.

Jack and Betty Starratt of Tahoe City last week completed purchase of the Darlin property, on the Cliffs just back of the store in which Jack is a partner. They plan to add the new cottage before next spring and be able to move into it early next summer. They will eventually build a pier from the lakeshore frontage there.

Mr. and Mrs. Otto Darlin will leave here about September 1 and return to their former home in Berkeley. They plan a trip later this year to Norway where they will spend some time visiting at Darlin's boyhood home.

Another exchange in home property took place during the past week when Mr. and Mrs. Leonard Bury, Tahoe City, purchased a house and lot on Lakeview Drive from Mrs. Evelyn Bliss. They have moved into the place and are well pleased with their new home.

Second award in the amateur's musical recital at Tahoe Tavern last Thursday night was won by Miss Carolyn Henry, nine-year-old daughter of Dr. and Mrs. William F. Henry of Tahoe City. In spite of Carolyn's youth, she has a well matured singing voice which was pronounced "beautiful" by the judges. This was her first public performance and she sang "My Wild Irish Rose" and "The Lying Little Daisy."

Tech. Sgt. Dorothy Seulowitz and Master Sgt. Grace Busser of Hamilton Air Force Base motored to Tahoe on a three-day pass during the weekend. While here they visited at the home of their former Air Force comrade, Florence B. Vernon in Tahoe City. On Sunday Sgt. Busser celebrated her birthdate at a dinner with her two friends at a north lake resort.

On Friday Mrs. Cloie Clark of Tahoe City suffered painful and possibly serious injuries while at work in a restaurant. She dropped a french-fry basket into boiling grease which splashed over her right arm from the shoulder to the hand. Dr. C. B. Pedersen, Tahoe Tavern physician who was called to attend her, pronounced it a third degree burn. Mrs. Clark is reported recuperating normally at her home.

Jack Benny of radio fame spent the week pleasantly as a guest at Cal-Neva. Last Thursday he golfed for several hours on the Brockway course and Friday he played on the Tahoe City golf course. Herb Caen, popular San Francisco columnist, spent the week as a guest in the L. A. Marsten summer home in the Sunnyside Beach vicinity.

Lewis Fellows, son of Mr. and Mrs. R. L. Fellows of Carnelian Bay and winner of various winter ski trophies during recent seasons, was among the entrants in the Tahoe Yacht Club's Water Ski Carnival last weekend.

Mr. and Mrs. Harold Hunt, with their son and daughter, motored up from their Los Angeles home this week and are spending several days visiting at the home of Mr. and Mrs. Leonard Bury in Tahoe City. Hunt is Mrs. Bury's brother.

Mrs. Laura Stanley, employed at the Henry Aldrich summer home, took her young charge, Henry Aldrich Jr., on a fishing excursion to Sierra Valley last week and came home with six 12-inch German brown. Young Aldrich, doing well for a beginner, caught two 10-inch trout.

Mr. and Mrs. Edwin Letts Oliver Sr. of Piedmont are enpoying the midsummer season in their Sunnyside summer home "Letts Stay." They entertained there as weekend guests Mrs. Fredrick Greenlee and family from the bay region.

TAHOE TEMPERATURES

TAHOE CITY— Arthur Frodenberg reports the following high and low daily temperatures here for the week ending August 17: Aug. 10th: 75, 40; 11th: 77, 45; 12th: 78, 47; 13th: 78, 45; 14th: 77, 46; 15th: 75, 43; 16th: 74, 46; 17th: low 40. Brief summer showers last week left .08 of inch precipitation. The lake level Monday morning was 6228.76 with three gates open.

SIERRA SUN ADS PAY!

CHARRISON HITS DRUNKEN DRIVER WITH $300 FINE

TAHOE CITY— In Tahoe Judicial Court during the past week Judge Harry Charrison fined Weland T. Dunn of Auburn $300 for drunken driving, following a plea of guilty by the defendant.

Alvin McConville of Long Beach pleaded guilty to making a bad pass on the highway near Homewood and was fined $25. Both Dunn and McConville were cited by State Highway Patrolman T. F. Sheehan.

George Philips, operator of a resort near Tahoe Vista, entered a plea in the local judicial court of "not guilty" to a charge of operating a trailer court and cottages without a license. Judge Charrison set 10:30 a.m. Friday, August 21, to hear the case. The complaint was signed August 11 by John Jamison, a Placer county health officer. Jamison said the sewage disposal facilities serving the resort are not adequate and must be corrected before a permit will be issued. (ejv)

WOMEN'S CLUB WILL ENTERTAIN EX-SERVICEMEN

TAHOE CITY— Eleven hospitalized veterans from Reno will be served a luncheon on the Tahoe City Commons Wednesday, August 26, with members of the Women's Club of Tahoe as hostesses. This will be followed by a speedboat ride on the lake, sponsored by Fred Main of Tahoe Boat Company.

The food sale and bazaar, sponsored by the women's club last Saturday at Kehoe's grocery, netted approximately $90, according to Mrs. Stella Watson, chairman, who issued words of appreciation to the management of the store and the women who helped with the sale.

A perusal of the minutes of the club for August 23, 1928 showed that Mrs. George Bliss, president, read a letter from Tim Butler of Tahoe Tavern thanking the club for their donation to the Episcopal and Catholic benefit. Another letter was read referring to the possibility of purchasing a Davis inhalator. Dr. C. B. Pedersen suggested the purchase of this life saving apparatus. The suggestion was later followed up, the inhalator purchased and used by Dr. Pedersen in saving several lives.

WE RESERVE THE RIGHT TO LIMIT QUANTITY

Meet a man with 15 mouths to feed

Frank S. Corda farms 240 acres in California's Salinas Valley. We know Mr. Corda well because Standard Oil Company of California fuels the power that tills his land. By replacing muscles with machines, as Mr. Corda has done, the average U. S. farmer produces enough food for 15 people. One hundred years ago a good farmer produced enough to feed only five people. Mechanized farming, powered by oil, has made the difference.

Insect "bomber" demonstrates one of the ways petroleum helps make farms more productive and profitable. Airborne insecticides made by Standard's subsidiary, California Spray-Chemical Corporation, are so effective that they save western farmers millions of dollars a year in crop losses. Other petroleum products save time and labor . . . for example, a tractor can work 10 acres in the time a team of horses takes to plow two. We also had a hand in that, because Standard developed the first compounded lubricating oil that made high-speed diesels for tractors practical. Fuels and lubricants for farm machines, yield-boosting weed killers, roof coatings for barns, stock dips, detergents to keep milk equipment spotless, bottled gas for refrigeration, cooking and heating—they're all on the long list of items supplied to western farms by Standard. And you, too, benefit from each new way Standard scientists increase the yield of farms . . . because *you* may be one of the 15 people Mr. Corda feeds. *Questions or comments about our Company are always welcome. Write: Standard Oil Company of California, P. O. Box 3495-C, San Francisco, California.*

STANDARD OIL COMPANY OF CALIFORNIA

plans ahead to serve you better

'53 DOVE RULES ARE ANNOUNCED

Pacific Flyway dove hunting regulations similar to last year's have been announced for 1953 by the secretary of interior.

California hunters may take ten mourning doves per day between September 1 and September 30. The special white-winged dove season in Imperial County runs concurrently with the same bag limit, although no more than ten birds of both species combined may be possessed.

Shooting hours extend from one-half hour before sunrise until sunset, except on the opening day when shooting beings at noon.

California fish and game commissioners are expected to adopt the federal regulations when they meet August 28 at the State Building in San Francisco.

MRS. OLANDER, SISTER IN EAST

TAHOE CITY— Mrs. Helga Olander, with her sister, Miss Anna Ocklind of Oakland, left Tahoe City of Reno Saturday, where they took an airplane for Minnesota. Sunday, Mrs. William Del Carlo, daughter of Mrs. Olander, received a telegram of their safe arrival overnight to the east. The women plan to buy a car and make the return trip with their brother, after a round of visiting friends and relatives.

$30,000 AWARD FOR FISH STUDY AT SAGEHEN

A $30,000 gift from the Max C. Fleischman Foundation of Nevada will support the continued operation of the Sagehen Creek experimental station between Truckee and Hobart Mills, according to an announcement by the University of California.

Many benefits to high Sierra sport fishing are expected from the continuing reasearch, reports Dr. Paul R. Needham, professor of zoology on the Berkeley campus of the university. Since 1951 Needham has directed fish study at the station.

The Fleischman Foundation gift will provide opportunity for researchers to gather more information about fish conservation and the life cycles of various species of trout.

The university controls 112 acres of land and 1½ miles of steram at Sagehen Creek. Some of the things discovered run contrary to popular belief.

Instances of this include such finds as: Trout are bottom feeders on occasion; there actually is more food available in winter waters than in summer and trout do feed in icy waters; the bigger fish often feed best as evening approaches; so-called fished out streams still contain large numbers of legally catchable fish. Dr. Needham concludes, too, that trout become more wily late in the season.

Conservation problems, including the causes for high trout mortality rates, are the really important ones tackled at Sagehen.

"The first requirement for improving the usefulness of animals to man is a detailed knowledge of their life history and habits," Dr. Needham believes..

The capitol building in Washington, D.C., covers approximately 3½ acres of land.

ADOPT NEW RULE IN PLACER COUNTY FOR SUBDIVISIONS

AUBURN— The Placer County board of supervisors has agreed to add a new paragraph to subdivision ordinance No. 265 which was adopted in connection with preparation and filing of subdivisions maps.

According to the latest addition, all maps of subdivisions which border state highways or roads designated as future state highways by the California highway commission shall be submitted to and have the approval or recommendation of the state highway engineer relative to street connections, road drainage, or road and setback lines before such a map will be accepted for approval by the county planning commission.

NEBELHORN RESORT IS INCORPORATED

SACRAMENTO —(CNS)— Articles of incorporation for Nebelhorn mountain resort have been filed with Secretary of State Frank M. Jordan. The resort capitalized for $1,250,000. Directors are Charles A. and Glatha F. Drace, Vade, and George J. Robinson, Tahoe Valley.

STICE TELLS OF S.P.'S 'CONTRIBUTION' TO COUNTY TAX LOAD

Southern Pacific Company paid a $85,364 tax bill on property in Nevada County for the year 1952, according to E. K. Stice, local agent for the railroad in Truckee.

Southern Pacific's total tax payments in 1952 amounted to $85,669,925, Stice said. This was more than three times the amount of dividends paid to Southern Pacific stockholders during the war. It does not include the taxes the railroad is required to collect for the federal government on ticket purchases and freight charges.

Federal taxes amounted to 75 per cent of the railroad's tax bill, Stice continued. Almost $45,000,000 went for federal income tax and over $18,000,000 for railroad retirement tax. Unemployment insurance tax and other federal taxes amounted to almost $2,000,000, bringing the federal tax total to $64,516,512.

State, county, city and miscellaneous taxes paid by S.P. amounted to over $21,000,000, Stice added.

On the basis of the above figures it has been determined that the railroad's 1952 tax bill built up at the rate of $2.72 a second, 24 hours a day throughout the year.

Christianity Answers Today's Problems

By Clare Boothe Luce

TODAY IT IS a cliche to say Christianity has been tried and has failed. It is equally untrue to retort that it has not failed, because it has never been tried.

History shows that Christianity has been tried. Wherever it has been tried, with honest intent and passionate purpose, it has succeeded as nothing else ever tried by man has done.

Our form of government is a living monument to the incorporation in political forms of Christian principles concerning the freedom and dignity of the individual. Today, we are living on our spiritual capital.

HOW LONG CAN we demand to share in the benefits of Christianity, and yet refuse the practical task of even conserving, not to say increasing, these benefits? How long can we clamor for Christian treatment, while ignoring any obligation on our part to foster Christian belief?

No day goes by, no forum is held in America, without its quota of stirring appeals for our citizens to show high ideals and noble efforts in the solutions of our many melancholy problems. But we want to produce Christian deeds without Christian hearts, Christian thoughts without Christian minds. We desire to pluck the fruits of faith where we have let the branch of faith itself wither or be torn up.

ONLY MEN OF deep religious faith can lay down the challenge of totalitarianism. Only men who love their fellow men "in Christ" can prevent war if it is to be prevented, redeem its horrible ravages if it cannot.

Only the apostolic Christian is certain of victory in the struggle. For he is forever armed against loss. Defeat is victory, death itself is life, if he can still say with St. Paul:

"I HAVE FOUGHT the good fight, I have finished the course, I have kept the faith. For the rest, there is laid up for me a crown of justice, which the Lord, the just Judge, will give to me in that day; yet not to me only, but also to those who love His coming."

It may well be that the Folly of the Cross is still the only wisdom that can save our civilization.

† Paulist Feature Service, Washington 17, D. C.

VISITORS BARRED FROM NEW PARK FOR TIME BEING

Definite progress in the establishment of a new state park on Emerald Bay, Lake Tahoe, has begun with the purchase by the state of the Harvey West unit of this park, including the architecturally beautiful building known as Vikingsholm, Fannette Island, Eagle Falls and other attractions. A purchase program approved by the state park commission and by the state legislature at its last session is now under way, according to the state division of beaches and parks, and it is hoped that by next season a substantial area will have been acquired and development for public use begun.

According to Chief Newton B. Drury of the division of beaches and parks, it will not be possible to open the Vikingsholm tract or other lands acquired to the public this year because of the lack of staff to protect the area and also because the development plans are still in the formative stage. This applies to the Harvey West unit now in state ownership and will apply to other lands as acquired. It applies particularly to Fannette Island where it is hoped ultimately adequate developments for a landing place and public use under supervision of a ranger can be provided but where already since state ownership a considerable amount of vandalism has occurred.

It is felt that in the public interest all of this property should be protected from unregulated use until such time as the state can properly organize to take care of it. It is felt by the state park commission that the Emerald Bay project is one of the most important accomplishments in recent years in the field of parks and recreation.

TOURISTS BRING MANY MILLIONS

SAN FRANCISCO— Northern California had a record tourist influx last year, John J. Cuddy, general manager of Californians Inc., said this week.

A total of 2,047,401 visitors in the area spent $168,521,000 during the year, Cuddy said. He added that tourist business in the region provides fulltime employment of 13,763 persons and that tourists paid out $6,909,000 in California taxes on such items as gasoline and store purchases.

ADVERTISING DOESN'T COST— IT PAYS!

SUITS ARE FILED OVER ACCIDENTS AROUND TAHOE

Ruth Harriett Hutton filed a complaint in Placer County superior court last week against T. A. Kinsey in connection witr an automobile accident occurred June 27 at the Brockway Hotel Roard and State Highway 28.

The plaintiff charges that while she was going west on the state highway, Kinsey, traveling north on the intersecting road, was driving in a reckless manner, causing the collision. She suffered severe bodily injuries and shock for which she is asking $15,150, including damage to the automobile plus costs of the suit. The plaintiff charges she will be affected permanently from the injuries.

At Reno, Mrs. Hannah Egger, whose night club dancer daughter, Anna, was killed in an automobile accident, filed suit in the district court against the driver of the car, Edward J. DeFedrico, asking for $150,000 damages.

The accident occurred near Lake Tahoe in the summer of 1952. The car rolled down an embankment, crushing Miss Egger's head.

NOTICE TO BIDDERS

Notice is hereby given that sealed bids will be received by the Governing Board of the Tahoe-Truckee Unified School District of Placer and Nevada Counties, at the office of the Superintendent, on or before, but no later than, Friday, August 21, 1953 at 5:00 p.m. for constructing a utility court on the Tahoe Lake School grounds in accordance with specifications on file at the office of the Superintendent of Schools, Truckee, California.

The Governing Board reserves the right to reject any and all bids, in part or in total, to waive any irregularities, and to be the sole judge of suitability and fitness of products offered.

Bidders are required to submit complete specifications for any and all items for which bids are offered and furnish a certified check in the amount of 10 per cent of the bid to guarantee faithful performance of contract.

By order of the Governing Board, Tahoe - Truckee Unified School District.

FRED M. PEDLEY, Clerk. a20

NOTICE TO BIDDERS

Notice is hereby given that sealed bids will be received by the Governing Board of the Tahoe-Truckee Unified School District, Placer and Nevada Counties, California, at the Office of the Superintendent, Truckee, California, on or before, and no later than Friday, August 28, 1953 at 5 p.m. for the contract or contracts to supply furnace oil to the schools of the Tahoe-Truckee Unified School District in accordance with specifications on file in the office of the Superintendent of Schools.

The Governing Board reserves the right to reject any and all bids, in part or in total, to waive any irregularities, and to be the sole judge of the suitability of the product offered.

Bidders are required to submit complete specifications with prices for any and all products offered.

By order of the Governing Board of the Tahoe-Truckee Unified School District.

FRED M. PEDLEY, Clerk a27

COPY

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF NEVADA No. 10502

Rose Harrigan, Plaintiff,
-vs.-
J. L. Hallaran, also known as J. L. Hallran, and ALSO All Persons Unknown, claiming any right, title estate, lien or interest in the real property described in the complaint adverse to plaintiff's ownership, or any cloud upon plaintiff's title thereto, Defendants.

SUMMONS

The People of the State of California Send Greetings To:

J. L. Hallaran, also known as J. L. Hallran, and ALSO ALL Persons Unknown, claiming any right, title, estate, lien or interest in the real property described in the complaint adverse to plaintiff's ownership, or any cloud upon plaintiff's title thereto, Defendants.

You and each of you are hereby directed to appear and answer the complaint in an action entitled as above, brought against you in the Superior Court of the State of California, in and for the County of Nevada, within ten days after the service on you of this summons, if served within this County, or within thirty days if served elsewhere.

And you are hereby notified that unless you appear and answer as above required, the said plaintiff will take judgment for any money or damages demanded in the complaint, as arising upon contract or will apply to the court for any other relief demanded in the complaint.

The object of this action is to make the above mentioned defendants set forth the nature of their claim or claims to the real property in the complaint and hereinafter described, if any they have, and that such claim or claims be adiudged to be of no effect and void, and the plaintiff's title to the same be quieted against them.

That said real property is all that certain lot, piece or parcel of land situate, lying and being in the County of Nevada, State of California, described as follows, to wit:

That certain lot situated in South Truckee, on the south side of River Avenue West, described as follows:

Commencing at the north east corner of the lot, from which a 1½ inch pipe at the corner of River Avenue West and Bridge Street bears N. 26°29' E. 175.02 feet and the ¼ section corner on the east side of Section 15, Township 17 North, Range 16 East, Mount Diablo Base and Meridian bears S. 39°12' E. 1693.33 feet. Thence:

1. S. 22°58' E. 143.00 feet to the southeast corner of the lot
2. S. 64°04' W. 140.00 feet to the south west corner, identical with the SE corner of the Moretta Lot
3. N. 22°58' W. 143.00 feet to an iron pipe on River Avenue West
4. N. 64°04' E. 140.00 feet along River Avenue West to the place of beginning, and containing 0.46 of an acre, more or less.

GIVEN under my hand and the seal of the Superior Court of the State of California, in and for the said County of Nevada, this 17th day of June, 1953.

How to reach the phone before it stops ringing Rrrrinngg—there goes the phone. And before you can get to it from another part of the house, it stops ringing. But—with a handy *extension* telephone, you can take calls anywhere in the house! This convenience costs just a few pennies a day. And extensions are now available everywhere because they require no outside cables, wires, or central office facilities. For complete details about a new extension telephone in your home . . . call your Pacific Telephone business office.

in an emergency...

your party-line neighbor may cut in on your telephone conversation and ask you to release the line. He'll surely appreciate it if you allow him to use the phone. And you may need the same courtesy in an emergency of your own.

ROYAL CHILDREN GO ON VACATION— Just as thrilled by vacation plans as youngsters anywhere are children of England's Queen Elizabeth II—Prince Charles, 4, and Princess Anne who was three Saturday, August 15. They smile in delight from train window at Aberdeen, Scotland, bound for holiday at Balmoral Castle.

Swanee's Letter

Tahoe City, Aug. 16

Dear Tahoeites:

Company has been plentiful at the home of the James Bakers on Fairway Drive over the past week, visitors including Mr. and Mrs. Dick Hinkle and children, Dawn and Luke and their two weeks old baby girl. The family is vacationing at Donner Lake. Other guests of the Bakers were Jean and Alice Harrington of Merced. Here for the weekend were Mrs. Baker's mother, Miss Mitzi Cochran of Berkeley and Mr. and Mrs. Willis Monroe of San Francisco. On Sunday the visitors, accompanied by Betty and daughter, Yvonne Marie, visited at the home of their friends, Mr. and Mrs. Glen O. Smallcomb of Tahoma where Betty brushed up on her water skiing behind the Smallcomb speedboat. The party left for home Monday afternoon.

In for a welcome 15-day vacation with his family from the rigors of army life at Fort Ord is Jimmie Heaney, son of Dr. and Mrs. Lloyd Heaney of San Francisco, whose summer home is on Fairway Drive in Tahoe City.

Am happy to report 14-year-old Danny Sheehan, son of Mr. and Mrs. Tom Sheehan of Lake Forest, is home again and will soon be his old self, following a recent attack of polio. The Sheehans drove down Monday last week and visited in Los Angeles with relatives, then brought Danny back with them. He is up and around as usual but must do a series of special exercises daily. Other than that he will just take it extremely easy for some time to come.

Another of those grand get-togethers was enjoyed at Pineland Bowl last Saturday night, attended by several hundred persons who brought along a variety of delicious dishes and enjoyed the entertainment which followed. Mr. Roney of Pineland led the community singing around the big bonfire and his wife played the accompaniment on the piano. Mrs. Alice Edwards was one of the guest soloists. Another pot-luck supper will be given Labor Day weekend and everyone is again invited. Just call Mrs. Gladys Anderson (Tahoe City) and learn what to bring. The Bert Andersons drove down to San Francisco Friday on business, visiting at the home of Mrs. Anderson's grandmother, Mrs. Hazel Smith, whom they brought back with them Sunday evening for a two weeks visit at Tahoe.

Monday night, August 16, the Albert K. Millers threw open the doors of their home in Tahoe Park for one of the most cosmopolitan housewarmings the lake has ever seen. The whole town and, in fact, friends from around the entire lake, were invited. Cocktails preceded a sumptuous buffet supper. The Milliers earlier this spring bought the old Hillyer Brown home in Tahoe Park but only moved into their new residence Sunday when renters moved out. They plan to completely remodel and refurnish the house.

Mr. and Mrs. William Bechdolt of Tahoe City Monday night last hosted a gala cocktail hour and buffet supper at the Fairway Drive home. Guests included Messrs. and Mesdames Michael Lenihan, Ed Siennet, and Ed Rosenkrantz, all of San Francisco; William Connors, Pat Martin, Bernard Duffy, Carl Bechdolt Sr., Carl Bechdolt Jr., Martin Spitsen, Vern Bartel and Jay Shontz, all of Tahoe City; Clark Burnham, Truckee River; Larry Tiedrich, Arizona; Mesdames Arthur Ferris, Pasadena; Elfie Luhrs, Truckee River; Arlene Arter, San Francisco; and Pete Marich and Angelo Bonino of Tahoe City.

Mr. and Mrs. Arthur Ferris of Pasadena and four children arrived last weekend for a vacation stay at the William Connors home in Tahoe Pines. Mrs. Ferris is a sister of Mrs. Connors. Guests arriving Monday at the Wm. Bechdolt home for a week's visit were Mrs. Bechdolt's brother, Jack O'Laughlin of Pasadena, accompanied by his wife and daughter, Margaret.

Mrs. Dorothy Van Allyn of Carnelian Bay, who has been assisting Manager Carrol Raymond in the Lake Tahoe-Sierra Chamber of Commerce office this summer, has taken a two weeks vacation.

Home from the hospital on Friday last came Mrs. Oliver Henriksson of Lake Forest with their newest member of the family, week-old Paula Elise, born in Tahoe Forest Hospital. The Henriksons have two other children, Erick, 3½, and Heide, 2 years old. Mother and baby are doing fine.

Ring off for another week with a wish for your good health, good cheer and good luck. As ever,

Swanee

NEW RECORDS ARE ESTABLISHED FOR FISH PLANT

From its twin-engined airplane, the state department of fish and game this summer planted more remote lakes with more trout at less cost and in less time than ever before in the five-year-old aerial planting project.

When senior warden-pilot Al Reese drops 340,000 golden and cutthroat trout in high Sierra waters next month, the year's total will add up to 2,864,000 fingerlings in 662 lakes. The previous record was set in 1951, when 2,769,000 trout landed in 632 mountain lakes.

The cost of aerial fish planting has been slashed from $2.98 per thousand, when the large-scale program began in 1949, to $1.25 per thousand fish this year. Using the traditional pack horses and mules, the planting of mountain lakes used to average out at almost $20 per thousand fish.

Primary reason for the four-way record year is Al Reese's perfection of a system of drugging the fish in transit. The addition of sodium amytal to water in the carrying cans calms the fish so that they use less oxygen and need less water. As many as 6,800 trout fingerlings were transported in four gallons of water.

From the Oregon border to the Tehachapi Mountains, Reese and his two pilots spent 105 hours in the air ferrying and planting the fish. Last year's flying time was 124 hours and in 1951 the plane logged 142 hours.

Why good water creates rare flavor

THE ARTESIAN WATERS of certain European localities have long been famed for their exceptional capacity to extract the most desirable, highly elusive flavors from hops and grains during the brewing process.

The famous artesian wells on the property of the Olympia Brewing Company provide a faultless brewing water of this same type. This water makes it possible to produce a beer of exceptional flavor, constant purity and unchanging quality. Try Olympia and discover why "It's the Water" that is so important to flavor.

Enjoy OLYMPIA *"It's the Water"*

Visitors always welcome between 9:30 and 4:30 every day.
Olympia Brewing Company

NORTH TAHOE

by THELMA BURROUGHS

The North Tahoe Community Club, Inc., is now in the midst of a new drive to secure additional fire fighting equipment. This club is making available membership in the North Tahoe Fire Squad at one dollar each. A member of the squad will be given a $3600 Chris-Craft rocket boat. This beautiful boat, seen here and there at different resort locations at North Tahoe, will be awarded at Cal-Vada Lodge at 11 p.m. September 13. All members of the fire squad will have an equal opportunity.

The North Tahoe Fire Control services an area to and including Incline Beach on the Nevada side, to and including the east approach of Dollar Hill on Highway 28. This area embodies property and investment valued at between nine and ten million dollars. At present only one forest service truck of sixty gallons capacity at Stateline and one small tank at Incline Beach, supported by the North Tahoe Fire Control unit No. 1 with high pressure fog constitute the limit of protection available to this area. North Tahoe's No. 1 unit, fully equipped is costing approximately $10,000. After the most dangerous tourist season ends in September, this unit will be the sole means of fire fighting in this vast and richly beautiful recreational area. After the summer season is over the Forest Service has no fire fighting equipment here until late next spring.

Right now, there is no other way for the people hereabouts who want fire protection except voluntary participation in the fire control group's effort to secure added equipment. There are men willing and able to man such equipment to protect your investment if the equipment is made available. The boat is being made available through the generosity of Fred Main of the Tahoe Boat Company as an added incentive to membership in this worthy civic organization.

* * * *

Thursday evening, August 27, beginning at 6 o'clock, a baked ham dinner will be served at the Open Air Chapel on Bear St. under the supervision of the Women's Circle of Community Methodist Church. Anytime from six to eight you may be served—$2 for adults and $1 for children. Proceeds will be added to the church building fund for the completion of the edifice. A great deal of credit is due the Women's Circle, which meets at the chapel each Tuesday, for their great and consistent efforts on behalf of this project.

Lou Boyce is seen around town these days enjoying her summer vacation from Menlo Park. Mary Boyce is working at Brockway Hotel. Haven't seen Jimmy or Dick around year but they may be up too.

Wee Kirk o' the Pines services at Kings Beach continue each Sunday with Church School at 10 a.m. and preaching at 11. Next Sunday the sermon theme will be "Birds from the Bible." The Young People will view a Gospel Film in their regular Monday evening session at 7 o'clock.

A Reno marriage license was issued this week to Gordon Bitler and Darlene May, both of whom gave their addresses as Kings Beach.

EUER VALLEY ITEMS

Ida and George Ryer, Louis Dufour of Nyack Lodge, Elvie Briggs of Folsom were in for the day. It was their first visit to Euer Valley and they enjoyed it very much.

Mrs. N. J. Relvas and children, Jim and Anne, are up from Folsom for a week. Relvas, Carl Brown, John and Jenny Miller were all up from Folsom for a couple of days with Mrs. Relvas and the children.

W. F. Hunter and grandson, Wally, of San Francisco made their first visit to Euer Valley and are anxious to make a return trip for more fishing on Frog Lake.

EXHIBITS AT TAHOE

Miss Frances Kirk, artist, now at Tahoe City for the third summer, is showing some of her recent work at the Tahoe City chamber of commerce office for one week only. Among them is a large painting, "Mojave in April '52," "Desert Subdivision," "October Day" and a number of smaller ones.

Mrs. Ernst at Lake—

Mrs. Sara Ann Ernst came from her Modesto home to spend an indefinite stay at Lake Forest.

MINDANAO TRENCH

In the Mindanao Trench in the Philippine Archipelago a sounding of 34,440 feet was obtained by the USS Cape Johnson July 14, 1945.

My Place In the Sun

by DOUG BARRETT

At the rate they're going, the Reg Smart residence will require a house physician.....first young Brian was severely bitten about the face by an unknown dog..... then his sister Karen sprained an ankle.....and daddy Reg nearly whacked off his thumb with a meat cleaver.....hope they're in for a streak of better luck from now on.....Note that Jeannie Thornton is carrying her left elbow in a rigid cast.....Will, Bill and Merrill Englehart, John (Gumpy) Brown, with their lady folks.....spreading the stuff around for installation of a lawn at the home of Bill E..... Nate McCrary and his brother Emmett off to try their luck with rod and reel last weekend.....Emmett was up from Roseville where he's chief of police.....Erv Single, our new game warden, belies his name last week he brought up his charming wife and two fine sons to establish their new home near Donner Lake.....one of the boys will be in the fifth grade here when school starts.....and his brother looks like a valuable addition to the high school's sophomore class.....Stan Zwarg perusing his Sierra Sun while having dinner at Brown's Cafe.....with nary a murmur about the service.....which was being rendered by Mrs. Stan Zwarg.....Harold M. Welch has arrived here from San Francisco..... to become a working partner with George Carter at the St. Louis Cafe.....Mrs. Bernard Bronson having lunch recently at the California Cafe.....with her brother, Bob Seibold.....you remember Ruth Seibold when the family lived at Hobart Mills.....Ileen Risden with a car full of youngsters.....following the morning session of daily vacation Bible school.....currently being held at the Community Methodist Church for a fortnight..... Alfred McGee home on extended leave from Camp Stoneman to visit his folks, Garing and Alice McGee.....preparatory to a tour of duty in the Far East.....

Truckee Group of Christian Scientists announce Sunday Services each Sunday at 11 a.m. at the Wyethia Women's Club House in Truckee

Sunday School 9:30 A.M.

The public is cordially invited to attend

NOTICE OF INTENTION TO ENGAGE IN THE SALE OF ALCOHOLIC BEVERAGES

August 14, 1953

To Whom It May Concern:

Subject to issuance of the license applied for, and commencing not less that 15 days after the date posted, notice is hereby given that the undersigned proposes to sell alcoholic beverages at these premises, described as follows:

St. Louis Cafe, Commercial Row, Truckee.

Pursuant to such intention, the undersigned is applying to the State Board of Equalization for issuance on original application of an alcoholic beverage license (or licenses) for these premises as follows: ON SALE BEER

Anyone desiring the protest the issuance of such license(s) may file a verified protest with the State Board of Equalization at Sacramento, California, stating grounds for denial as provided by law. The premises are now licensed for the sale of alcoholic beverages.

Harry Loynd of Detroit, Mich., is a guest of the Walter and E. L. Loynd families here.

Kaler Guests—

Guests at the J. E. Kaler cottage this week were Mr. and Mrs. John Q. Finnegan and children, Anne and Robert, of Quincy; Mr. and Mrs. Howard Henderix, Sacramento; Mrs. Alyce Lewis and son, Albert, Mrs. Bertha Lapham and Mrs. Ruth Wallace of Sacramento. Mrs. Walace is remaining through the week to visit among friends here. Mrs. Wallace and Mrs. Kaler are sisters.

Expected Here—

Mrs. Stanley Songer and son, Stanley Songer, are expected home from Marysville this weekend. Songer recently arrived from Greenland where he is stationed with the Air Force.

Couple Vacation—

Mr. and Mrs. William Storkman of Woodland are vacationing here this week.

Covina People Here—

Mrs. Leila Quick and daughter, Susan, Don and Richard Kuick, all of Covina, left today following a visit with Mrs. Cecil Clepper. While here Richard Quick learned of the death of his uncle, Horace Curnow, at Nevada City earlier in the week.

House Guests—

Mr. and Mrs. Hes Cardinal have as their houseguest Yolanda Cebellos of Oakland.

Three Sisters Visit—

Mr. and Mrs. Thomas Barbis of Oakland left following a visit with her sisters, Mrs. Elden Tonini and Mrs. Mary Zunino. The couple are planning a summer house at Donner Lake.

From South—

Mr. and Mrs. Freeman Campbell of southern California are guests of Mr. and Mrs. William Englehart Jr.

DUKE AND DUCHESS of Windsor had tongues wagging and eyeballs bulging when they appeared in this garish beach attire at Rapallo, Italy.

WYETHIA FAIR IS VIEWED BY LOCALS, GUESTS

The Wyethia Club Country Fair held last weekend was highly successful with many out-of-town visitors as well as local people enjoying the displays and programs at the high school.

A fine art exhibit, open to all, was headed by four beautiful paintings by Joseph Porter of San Francisco. Porter also did sketching and a number of local people sat for sketches.

Many interesting hobbies were on display, including U. S. stamps, Elizabeth Bavier; coins and hooked rugs, Gladys Pedley; fine old china, Pearl Heller; pipes, Charles Heller; dry arrangements, Gladys Dolley; sketches, Portia Wagonet; perfume bottles, Janice Gray; ceramic animals, Rosalie Kaspian; ceramic dogs, Cynthia Reynolds; art work, Ethel J. Vernon, Tahoe City.

Friday evening Art Champagne gave flycasting demonstrations and was pressed with questions on fishing. Archery demonstrations and talks were offered by the Tahoe Archers Inc. and were highly enjoyed, with many trying a hand. By the interest shown, Carroll Maynard hopes to form an archery club in Truckee.

Saturday evening an amateur show, consisting of dances, songs and comedy, was well received. Carol Sauter, Jerry Quam, Carol Ann Quilici, Todd McGee, Rene Hall, Dorothy Rueck and Loretta Farrar participated. An afternoon program for children included cartoon movies.

Two reels of safety films were shown during the evening and pamphlets on safe driving were distributed.

The committee in charge of the fair included Elizabeth Bavier, Thresia Buddle, Gertrude Benjamin, Dorothy O'Rourke, Sylvia Beck, Miriam Zwarg, Helen Ellis, Michael Ellis, Pearl Heller, Winnie Maynard, Muriel Frey, Florence Waters, Gladys Dolley, Anona Loynd, Gladys Pedley, Girl Scout and Brownie troop members.

Mrs. Pedley, president of the sponsoring club, expressed her thanks to all for their work to make the fair a success.

Wolerts in Europe—

Jack and Mary Wolert wrote from New York on the 13th. They are now on their first leg of their journey in Europe.

LOST— 2 fishing rods just east of Truckee along Truckee River. Santa Barbara owner is anxious for their return and offers reward. Anyone with information should contact Sierra Sun.

FREAK ACCIDENT INJURES WOMAN

TAHOE CITY— Mrs. Verne Bartel of Tahoe City is recuperating from the results of an unusual accident which happened recently. While sitting in a car with her sister, Mrs. Ray Thomas of Sacramento, the latter's two year old son started to whimper and both women turned in the front seat to see what was wrong. Mrs. Bartel turned too quickly and as a result broke several ribs on her left side. The doctor taped them up for her and she is now able to resume her task as custodian at the Tahoe City library. (es)

SEEKS INFORMATION

Mr. and Mrs. Ray Belville of Gabbs, Nevada, are here today seeking information of the former's uncle, an early day resident of Truckee. The visitor said his relative had the name of Belville but does not recall his given names.

In New York—

Dr. Jose Nessim of Kings Beach is on a trip to New York for a brief visit with a brother.

CARD OF THANKS

We wish to thank our friends for their many kind thoughts and deeds shown during our recent bereavement.

The family of Stan Songer
